Sir,

With reference to your official Memorandum No. L. 6733/162-26-16 dated the 24th March 1927 forwarding for disposal, a petition presented to the Dewan Sahib, during his tour in this district by the residents of Siravante village, Sagar taluk pray for a weekly shandy on Fridays in their village, I have the hono to state that the petition was forwarded in the first instance to the Amildar and the Sub Division Officer for opinion regarding the prayer of the villagers. The Amildar stated that weekly Shandies are being held at Sagar and Talaguppa every Thursday and Saturdays respectively and Siravante is midway between Sagar and Talaguppa the distance between these two places being 9 miles and that therefore the holding of an additional Shandy at Siravante is likely to affect the trade of the other two places and t therefore the grant of the prayer is not desirable. But the Sub Division Officer was for holding the Shandy at Siravante as it would be to the convenience of the villagers. When the matter placed before the District Board at its Meeting held on 28th A 1927, the Board agreed with theopinion of the Sub Division Offic and resolved that the request of the villagers might be sanct A copy of the resolution together with the file of correspond

I see no particular harm in allowing a s to be allowed to be opened at Shirwanke as by the petitioners. It is more the convenience of of the neighbourhood served by the Sauthe that be consulted in a case of this kind rather than diminution of trade in an adjoining Sauthe.
